PROFESSIONAL SUMMARY

Motivated and detail-oriented Software Developer and final-year Bachelor of Computer Applications (BCA) student with robust foundational skills in Python, C++, Java, and SQL. Proven track record of building AI-powered applications, web scrapers, automated trading tools, and desktop software. Adept at leveraging modern frameworks like Flask, OpenCV, and Selenium to engineer real-world software solutions. Strong understanding of core computer science concepts, including OOP and Data Structures, combined with practical experience in digital brand optimization.

TECHNICAL SKILLS

Programming Languages	Python, C, C++, Java, SQL
Frameworks & Libraries	Flask, Tkinter, OpenCV, DeepFace, Selenium, BeautifulSoup, Pandas
Databases	MySQL, SQLite
Tools & Technologies	Git, GitHub, VS Code
Core Concepts	Object-Oriented Programming (OOP), Data Structures & Algorithms (DSA), Database Management Systems (DBMS), Software Engineering, Web Scraping & Automation

PROJECTS

Face Recognition System | *Python, OpenCV, DeepFace, Tkinter*

- Engineered a real-time face recognition desktop application using advanced computer vision models for accurate identity matching.
- Implemented live face detection, an automated attendance tracking module, and an integrated image database management system.
- Designed a clean, intuitive GUI utilizing Tkinter to provide real-time visual feedback and seamless user navigation.

Court Data Scraper | *Python, Selenium, BeautifulSoup*

- Developed a dynamic web automation script to extract structured court case information from dynamic legal portals.
- Implemented robust browser automation routines, handling anti-scraping measures to ensure stable, long-running
- Processed and structured unorganized web data into cleaned data formats, reducing manual legal data collection time significantly.

EDUCATION

Bachelor of Computer Applications (BCA)

Graduation: 2026

JB Knowledge Park, Faridabad, Haryana • CGPA: 7.1 / 10

Senior Secondary Education (12th)

Completion: 2023

Modern School, Faridabad, Haryana

CERTIFICATIONS

- Python Programming Certification · MDCSM | 89% | A+ (Outstanding)
- Java Programming Certification · MDCSM | 85% | A+ (Outstanding)
- C Language Certification · MDCSM | 88% | A+ (Outstanding)

SOFT SKILLS & LANGUAGES

- Soft Skills:** Problem-Solving, Analytical Thinking, Team Collaboration, Technical Communication, Adaptability, Quick Learning
- Languages:** English (Professional Working Proficiency), Hindi (Native)
